Extract of Works Department circular No. FA.R 3/08-1027/W Dt.24.01.2009

Guideline/procure to be followed in introduction of 2-procurement in Government of Odisha.

Para 14(f) (vi)

The procurement Officer-Publishers (Officer inviting Tender) or other concerned officers authorized to receive the original Bid Security and Bid cost on behalf of the Procurement Officer- Publisher shall not be responsible for any postal delay and / or non receipt of the original copy of the bid security on or before specified date and time. Non-submission of bid security within the designated period shall debar the bidder from participating in the on-line bidding system and his portal registration shall be blocked. His name shall also be informed to the registering authority for cancellation of his registration as Contractor.

13. The contractor should be fully liable to indemnify the Dept. For payment of any compensation under workmen's compensation Act-VIII of 1823 on account of the workmen being employed by him & the full amount of compensation paid will be recovered from the contract.

14. Every tenderer must examine the Detailed Specification of Orissa P.W.D. before submitting his there. The right is reserved without impairing the contract to make such increase or decrease in the quantities of items of work mentioned in the schedule attached to the tender notice as, may be considered necessary to complete the work fully and satisfactorily. Such increase shall in no case invalidate the contract or rates. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of the quantities shown in the schedule. The schedule is liable to alteration by omission or addition or deduction & such omission,
15. No tenderer is allowed to back-out from the process and incase such backing-out occurs without justifiable & sufficient reason, the tenderer may be penalized with forfeiture of E.M.D. and other actions may be deemed suitable.
16. All reinforced cement concrete work should conform to Orissa Detailed Specification (M-15, M-20 & M-25) and should be of proportion (1:2:4) (1:1½:3) or (1:1:2) having a minimum compressive strength (in work test) 150kg. 1200Kg. per Cm² in 15cm. Cubes at 28 days after mixing and test conducted in accordance with IS 456 and IS 516 using 12mm. to 22mm size black hard crusher broken granite chips (20mm size not be exceed 25%).
17. Shuttering and centering shall be with seasoned sal wood planks the inside of which shall be lined with suitable sheeting and leak proof and water tight or alternatively steel shuttering and centering may be used.
18. The contractor shall make all arrangement for proper storage of materials. But no cost for raising shed for the storage of materials and pay of watchman etc. will be borne by Department. These are all to be borne by the contractor. The Department is not responsible for considering theft of materials at site. It is contractor risk. Under any such plea if the contractor stops the work, he shall have to pay the penalty as per clauses of the P-1 contract.
19. For the purpose of jurisdiction in the event of dispute if any contract should be deemed to have entered into within the State of Orissa and it is agreed that, neither party to the contract nor the agreement will be competent to bring a suit in regard to the matters covered by this contract at any place outside the State of Odisha.
20. After the work is finished all surplus materials and debris are to be removed by the contractor and preliminary works such as vats mixing platform etc. are to be dismantled and all materials are to be removed from the site. No extra payment will be made to the contractor on this account. The rate quoted should be inclusive of all these items. Ground upto 15 meters shall be cleaned and rough dressed.
21. The contractor shall not interfere with the execution of water supply or electrical fittings arrangements and any other works entrusted to any other agency by the Department at any time during the progress of work.
22. The department will have the right to inspect the scaffolding and centering made for the work and can reject partly or fully such structures if found defective in their opinion.
23. The contractor will have to arrange for water supply for all works and make sanitary arrangements at his own cost for his labour camps. Contractor has to arrange adequate lighting arrangement for night works whenever necessary at his own cost.
24. Baling out water from the foundation either rain water or sub soil water, if necessary, should be borne by the contractor. No payment will be made for bench marks, level/pillars, profiles and benching and leveling ground where required. The rates quoted should be for finished items of work inclusive of those incidental items of work.
25. All the quantities mentioned in the schedule are combined for ground floor and multifloor in case of multistoried building and the rates should be through for the same.
26. Cement concrete in roof slabs, beams and wherever prescribed by the Engineer in charge shall be machine mixed and vibrated and the contractor should arrange his own concrete mixer, vibrator, pumps etc. for the purpose.

27. It should be understood clearly that no claims whatever will be entertained.
28. The tenderer shall have to abide by the CPWD safety code introduced by the Govt. of India, Ministry of Works, Housing and supply in their standing orders No.44 to 46 dt. 25.11.07 which can be seen in the office of the **Superintending Engineer, Rural Works Division, Sonapur** on working hours and days.
29. The contractor will abide by the fair wages clause as introduced by the Government.
30. The Dept. Will have the right to supply at any time in the interest of work any Dept. Materials to be used in the work and the contractor shall use such materials without any controversy or dispute on that account. The rates of such materials will be at the stock issue rates fixed by the Department plus storage charges of market rates whichever is higher.
31. The contractor will be responsible for the loss or damage if any, Department materials, equipment supplied to him under clause 28 during execution of the work due to reasons whatsoever and the cost of such materials will be recovered from him at the prevailing stock issue rates plus storage charges or market rates whichever is higher.
32. The contractor should arrange at his own cost necessary tools and plants, pumps, vibrator, concrete mixer etc. required for the efficient execution of the work and rate quoted should be inclusive of the running charges of such plant & cost of consumables.
33. The contractor will have to submit the **Superintending Engineer, Rural Works Division, Sonapur** monthly return of labour both skilled & unskilled by him on the work.
34. The tenders are required to go through each clause of P.W.D. from P-I addition to clauses mentioned herewith before tendering.
35. No part of the contract shall be sublet without written permission of **Superintending Engineer, Rural Works Division, Sonapur** or transfer be made by power of attorney authorizing others to receive payment on the contractor's behalf.
38. No tender document will be sold to the intending tenders on the date of opening of the tender.
39. If any further necessary information is required, the **Superintending Engineer, Rural Works Division, Sonapur** will furnish but it must be clearly understood that tenders must be received in order and according to instructions.
40. Cement shall be used by bags and weight of one cubic meter of cement being taken as 14.12 quintal.
41. In the event of any delay in the supply of detailed structural designs for unavoidable reasons, reasonable extension of time will be granted on the application of the contractor, but no claim for monetary compensation will be entertained under any circumstances.
42. No contractors will be permitted to furnish their tender in their own manuscript papers.
43. Every tenderer is expected before quoting his rates to inspect the site of proposed work. He should also inspect the quarries and satisfy himself about the quality, availability of materials, medical aids, labour and food stuffs etc. and the rates may be inclusive of all these times of work in every case the materials must comply with the relevant specification and samples of materials in sealed bags may be submitted along with the tender for approval of the **Superintending Engineer, Rural Works Division, Sonapur**
44. Govt. will not however, after acceptance of contract rate pay any extra charges for lead or any other revision in case the contractor is found later on to have misjudged the materials available.

45. All fittings for doors and windows if supplied by the contractor should be of best quality and should be got approved by the Engineer-in-charge before they are used on the work.
46. The tenders containing extraneous conditions not covered by the tender call notice is a liable for rejection.
47. The contractor shall have to furnish a certificate along with tender call notice is a liable for rejection.
48. All tenders received will remain valid for a period of ninety days from the date of receipt of tenders and validity of tender can also be extended if agreed to by the contractor and the Deptt.
49. After completion of the work the contractor shall arrange at his own cost all requisite equipment for testing building necessary and bear the entire cost of such test.
50. Tenderers required to submit (1) list of works in the hand in the prescribed proforma enclosed herewith (2) the list of T&P(3) list of works executed along with the tenders.
51. Letters etc. found in the tender box, raising or lowering rates of dealing with any point in connection with the tender will not be considered.
52. All reinforced cement concrete works should be finished smooth. Extra charges for plastering if required to any R.C.C. structures like Columns, Chajjas etc. shall not be paid.
53. Tenderer may quote his rate in percentage basis as mentioned in the bill of quantity.
54. The contractor shall employ one or more Engineering Graduates or Diploma Engineers as apprentices at his own cost for works costing Rs. 2.5 Lakhs and above. The apprentices will be selected by the Chief Engineer. The stipends to be paid to the apprentices should not be less than Rs. 2000/- per month in case of Graduate Engineer and not less than Rs. 1500/- per month in case of Diploma Engineers. The period of employment will commence within one month after issue of work order and would last till the date when 90% of work is completed. The no. of apprentices will be fixed by the Chief Engineer so that the total expenditure does not exceed 1% or the tendered cost of the work vide works and Transport Department letter No. 1331 dt.12.08.1996
55. Income Tax as admissible under rules from time to time on the gross amount of bill will be deducted from contractors' bill. Surcharges as applicable by the IT Act will also be levied over & above the tax.
56. Sales Tax as admissible under rules from time to time on the gross amount of bill will be deducted from the contractor's bill.
57. The tenderer shall bear cost various incidental sundries and contingencies necessitated by the work failing within the following or similar category.
 - (a) Rent, royalties and other charges of materials, octroi duty, all other taxes including sales tax, ferry tolls, conveyance charges and other costs on account of land and buildings required by the tenderer for collection of materials, storage housing of staff or other purpose including temporary buildings materials of the work. No rent however be payable to Government for temporary occupation of land owned by Government at the site of work.
 - (b) Labour camps and huts necessary to a suitable scale including conservancy and sanitary arrangements thereon to the satisfaction of the local health authorities.
 - (c) Suitable water supply including pipe water supply wherever for the staff.
 - (d) Fees and dundes hired by municipal, canal and water supply authorities.

- (e) Suitable equipment and wearing apparatus for the labours engaged in risky operation.
- (f) Suitable fencing, barriers, signals including paraffin and electrical signal where necessary at works and approaches in order to protect the public and employees from accidents.
- (g) Compensation including cost of any suit for injury to persons or property due to neglect of any major precautions also sums which may become payable due to operation of workman's compensation Act.
- (h) The contractor has to arrange adequate lighting arrangements for right works wherever necessary at his own cost.
- (i) The contractor has to arrange all the buildings materials including the equipment required for under renamed pile foundation for starting the work.

58. Under no circumstances interest in chargeable for the dues or additional dues if any payable for the work.

59. The intending tenderer(s) should have in possession of the following machineries either being owned or on hire/lease required for execution of the work as per relevant clauses

(Minimum Requirement)

		Owned / Leased		
1	Concrete Mixture	1	20	In order to qualify, bidder must secure 80% marks in aggregate
2	Water Tanker	1	20	
3	Tractor	1	20	
4	Needle Vibrator	1	10	
5	Plate Vibrator	1	10	
6	Complete staging, Scaffolding, Centering & shuttering arrangement	100Sqm	20	

60. If the contractor quotes abnormally low rates for some items and the department decides to accept his tender then the department would have discretion of withholding the differential cost between such highly low rates items and schedule of rates from their payments due against other items till such low rates items are completed.

61. The materials like cement, steel, paints etc. procured & used by the contractor for the above noted work should be as per I.S.I. specification and to be got approved from the Engineer-in-charge before execution.

62. Special call contractor shall employ under him one graduate Engineer and two Diploma Holders belonging to the State of Orissa Likewise 'A' Class contractor shall employ under him one Graduate Engineer, or two Diploma holder under the Contractor shall be full-time and continuous and they shall not be superannuated, retired dismissed or removed personal from any State Government or Central Govt. Service/Public Sector undertakings/private Companies and Firms or it intelligible for appointment to Government Service. The contractor shall pay them monthly emoluments which shall not be less than the emoluments of personnel of equivalent qualification employed under the state of Govt. of Orissa. The Chief Engineer, Roads, Orissa may however, assist the contractor with names of such un-employed Graduate Engineers and Diploma Holders if such help is sought for by the contractor. The names of such Engineering personnel appointed by the contractor should be intimated to the tender receiving authority along with each tender, as to who would be supervising the work.

63. **The companies or individuals registered with Work Department/Public Health Department & Electoral Department having both legal competency and expertise in Civil, Public Health and Electrical Engineering works need put tenders for this composite work and the documentary evidence under appropriate Act in support of their legal competency and expertise to execute Civil, Electrical and P.H. works invariably should accompany their tender papers. The Civil Contractor in order to take part in the Turn key tender should**

enter into a joint venture agreement with eligible/Registered P.H./ Electoral Contractors (Associate with the joint venture) and a copy of such agreement after due registration should be furnished to the E.E. (RD) inviting composite tender for purchase of tender documents. This shall also form a part of the tender and should be attached with the tender. If the Civil Contractor is having registration in P.H. and Electrical work under the same name and style, the question of joint venture does not arise. The tender papers shall bear signature of authorized person of the tenderer, the letter of authorization should accompany tender papers. The authorization should clearly indicate the name of legal person to sign and enter into agreement and receiving payment and will be responsible for all contractual obligation for execution of work for Civil, S/I and W.S. and Electrical items of work to the Engineer-in-charge as mentioned in Clause-4(ii)

64. The contract will be drawn in P.W.D P-I contract form. The contract shall be drawn & signed by **Superintending Engineer, Rural Works Division, Sonepur** on behalf of the Government of Orissa. In the interests of expeditious execution of work, payment of interim bills (Running A/C bills) shall be made by the **Superintending Engineer, Rural Works Division, Sonepur** for final adjustment and compilation of accounts. Each bill of the Special Class or "A" Class Contractor shall be accompanied by an employment Roll of the Engineering personal together with a certificate of the Graduate Engineer or Diploma holder so employed by the contractor to the effect that the work executed as per the bill has been supervised by him.

(As per G.O. Works Dept. No. 1606 Dt. 17.01.86)

65. M/s O.B. & C.C. Ltd. Shall be allowed a price preference up to.....% on the lowest quotation and will be given an opportunity to state whether it will be willing to reduce the quotation to the work up to 3% above the lowest valid tender acceptable.
66. Number of tests as specified in I.R.C./M.O.R. T & H./I.S.I. specification required for construction of roads/ bridges/ buildings or any structural works will be conducted in any Govt. test house/Dept. Laboratories reputed materials testing laboratories as to be decided by the Engineer-in-charge. Testing charges including expenditure for collection/ transportation of samples/specimen etc. will be borne by the contractor. The collection of samples and testing are to be conducted both prior to execution and during execution as may be directed by the Engineer-in-charge and is both the counts the cost shall be borne by the contractor. An Engineering Personal of the execution agency should be present at work site at the time of high-level Inspecting Officers in the rank of Chief Engineer & above.
67. The contractor is required to pay royalties to Govt. as fixed from time to time and produce such documents in support of their payment to the concerned Superintending Engineer along with their bills, failing which the amount of royalties of different materials as utilized by them in the work will be recovered from their bills and deposited in the revenue of concerned department.
68. Incentive for early completion will be paid as per Govt. circular in force at the time of agreement.
69. The successful bidder who has quoted less bid price /rate than the estimated cost put to tender shall have to furnish the differential cost as tabulated below i.e. estimated cost put to tender minus quoted amount as additional performance security (APS) in the shape of DD / TDR pledged in favour of 'Superintending Engineer of RW Division, Sonepur within 7 days from date of intimation otherwise the bid shall be cancelled & security deposit shall be forfeited. Further, proceeding of blacklisting shall be intimated against the bidder.

Sl no.	Range of difference between the Estimated cost put to tender and bid amount	Additional Performance Security to be deposited by the successful bidder
1	The bid price is below 0% but not below 10% of the project cost put to bid	No additional performance guarantee/security percentage is required.
2	The bid price is below 10% but not below 20% of the project cost put to bid	Additional Performance Security shall be incremented by 0.1% for every percentage of Bid price below 10% of Project cost put to bid starting at 11% with the additional Bid performance guarantee being 0.1% & this additional performance guarantee percentage shall be applied on the bid price.

3	The bid price is 20% or more below of the project cost put to bid.	Additional Performance Security shall be incremented by 0.2% for every percentage of Bid price below 20% of Project cost put to bid to 1% of the percentage of bid price and this additional performance guarantee percentage shall be applied on the bid price.
---	--	--

70. An affidavit shall be furnished by the Contractor at the time of submission of tender papers about the authentication of tender documents including bank guarantee. This has been concurred in by the Law Department and Financial Department vide their U.O.R. No. 1242/L, dt. 05.08.2003 and No. 195/EF-1 dt. 04.03.2004 respectively.
71. No materials like cement, steel, paint, bitumen etc. will be supplied by the department to the work. All materials to the work shall be arranged by the contractor at his own cost. The materials use for the work shall be as per I.S.S./I.R.S.C. specification approved by the Engineer-in-charge before execution of work.
72. In accordance with G.O. works dept. O.M. No. 2234 dt. 19.11.05, if the tender back out from the office before acceptance of tender by the competent authority may attract penal action including for feature of EMD and action for black listing the tenderer.
73. **TECHNICAL SPECIFICATION-** The items of work shall be executed in accordance with B.I.S. code.

I/We also note that non-submission on this certificate will render liable for rejection.

74. NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT:

- 75.1 The bidder / Tenderer whose bid has been accepted will be notified of the award by the Engineer-in-charge prior to expiration of the validity period by able, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") will state the sum that the Engineer-in-charge will pay the contractor in consideration of the execution, completion, and maintenance of the works by the contractor as prescribed by the contract (Hereinafter and in the contract called the "Contract Price").
- 75.2 The notification of award will constitute the formation of the contract, subject only to the furnishing of a performance security (ISD) and additional performance security in accordance with the provisions of the agreement.
- 75.3 The agreement will incorporate all agreements between the officer inviting the bid/Engineer-in-Charge and the successful bidder. Within 15 days following the notification of award along with the letter of acceptance, the successful bidder will sign the agreement and deliver it to the Engineer-in-Charge. Following documents shall form part of the agreement.
- a) The notice inviting, bid, all the documents including additional conditions, specifications and drawings, if any, forming the bid as issued at the time of invitation of bid and acceptance thereof together with any correspondence leading thereto & required amount of performance security including additional performance security.
 - b) Standard P.W.D. Form P-I.

76. TIME CONTROL

- 76.1.1 The Superintending Engineer / Engineer-in-Charge shall issue the letter of acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.
- 76.1.2 Within 15 days of issue of the letter of acceptance, the Contractor shall submit to the Engineer-in-

Charge for approval of a Programme commensurate to Clause No.3 showing the general methods, arrangements and timing for all the activities in the Works along with monthly cash flow forecast.

- 76.1.3 To ensure good progress during the execution of the work the contractors shall be bound in all cases in which the time allowed for any work exceeds one month to complete, 1/4th of the whole of the work before 1/4th of the whole time allowed under the contractor has elapsed, 1/2 of the whole of the work before 1/2 of the whole time allowed under the contractor has elapsed, 3/4th of the whole of the work before 3/4th of the whole time allowed under the contract has elapsed.
- 76.1.4 If at any time it should appear to the Engineer-in-Charge that the actual progress of the works does not conform to the programme to which consent has been given, the Contractor shall produce, at the request of the Engineer-in-Charge, a revised programme showing the modifications to such programme necessary to ensure completion of the works within the time for completion. If the Contractor does not submit an updated Programme within this period, the Engineer-in-charge may withhold the amount of 1% of the contract value from the next payment certificate and continue to withhold this amount until the next payment after the date on which the over due programme has been submitted.
- 76.1.5 An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.
- 76.1.6 The Engineer-in-charge's approval of the Programme shall not alter Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer-in-charge again at any time. A revised programme is to show the effect of Variations and Compensation Events.

77.2 Extension of the Completion Date.

- 77.2.1 The time allowed for execution of the works as specified in the Contract data shall be the essence of the Contract. The execution of the works shall commence from the 15th day of such time period as mentioned in letter of Award after the date on which the Engineer-in-charge issues written orders to commence the work or from the date of handing over the site whichever is later. If the Contractor commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money & performance guarantee/Security absolutely.
- 77.2.2 As soon as possible after the contract is concluded the Contractor shall submit a Time & progress Chart for each milestone and get it approved by the Department. The Chart shall be prepared in direct relation to the time stated in the Contract documents for completion of items of the works. It shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the Engineer-in-Charge and the contractor within the limitations of time imposed in the contract documents, and further to ensure good progress during the execution of the work, the contractor shall in all cases in which the time allowed for any work, exceeds one month (save for special jobs for which a separate programme has been agreed upon) complete the work as per milestone given in contract data.
- 77.2.3 In case of delay occurred due to any of the reasons mentioned below the contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonable required to the satisfaction of the Engineer-in-Charge to proceed with the works.
- i) Force Majeure, or
 - ii) Abnormally bad weather, or
 - iii) Serious loss or damage by fire, or
 - iv) Civil commotion, local commotion of workmen, strike or lockout, affection any or the trades employed on the work, or

- v) Delay on the part of other contractors or tradesmen engaged by Engineer-in-Charge in executing work not forming part of the contract.
- vi) In case a Variation is issued which makes it impossible for completion to be achieved by the intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost. Or
- vii) Any other cause which, in the absolute discretion of the authority mentioned, in contract date is beyond the Contractor's Control.

75.2.4 Request for re-schedule and extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The contractor may also, if practicable, indicate in such a request the period for which extension is desired.

75.2.5 In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Contractor by the Engineer-in-Charge in writing, within 3 months of the date of receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the contractor.

75.3. Compensation for Delay

75.3.1. If the contractor fails to maintain the required progress in terms of clause 2 or to complete the work and clear the site on or before the contractor or extended date of completion, he shall without prejudice to any other right or remedy available under the law to the Government on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below as Superintending Engineer (Whose decision in writing shall be final and binding) may decide on the amount of tendered value of the work for every completed day/month (as applicable) that the progress remains below that specified in Clause 2 or that the remains incomplete.

This will also apply to items or group of items for which a separate period of completion has been specified. Compensation @ 1.5% per month of for delay of work delay to be computed on per Day basis. Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value of work or to the Tendered Value of the item or group of items of work for which a separate period of completion is originally given. The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Government. In case the contractor does not achieve a particular milestone mentioned in contract data or the rescheduled milestone(S) in terms of Clause 2.5, the amount shown against that milestone shall be withheld to be adjusted against the compensation levied at the final grant of extension of time. Withholding of this amount on failure to achieve a milestone shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone (S) the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(S) amount mentioned against each milestone missed subsequently also shall be withheld. However, no interest, whatsoever, shall be payable on such withheld amount.

75.4. Management Meetings

75.4.1 Either the Engineer or the Contractor may require the other to attend a management meeting. The business of a management meeting shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

75.4.2 The Engineer shall record the business of management meetings and is to provide copies of his record to those attending the meeting and to the Employer. The responsibility of the parties for actions to be taken is to be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all who attended the meetings.

76. SEALING OF BIDS AND TENDER BOXES

76.1 In order to ensure that the envelopes are properly sealed the contractors can seal them with superglue and also add temper proof tapes as additional precaution.

Receipt of Tender documents of acceptance thereof.

- vi) The tender documents will be sold to the intending purchaser/contractor at the same time during selling days in the Office of the Division, Sub-Divisions under the Division, concerned Circle, adjacent Divisions, Office of the concerned EIC/Chief Engineer, Similarly, the tenders are required to be received from the tenders in the above Offices during the same time on the days of submission. But opening of the bids shall be carried out in the office of the officer inviting the tender who is also the tender accepting authority.
- vii) Contractors are not **required to write their name on** the outer cover containing the Bid documents. They are only required to write the name of the work and authority who had issued the tenders. The tender submitted **in the wrong box shall not be taken into consideration.**
- viii) In case the 1st lowest tenderer or even the next lowest tenderers withdraw in series one by one, thereby facilitating a particular tenderer for award, **then they shall be penalized with adequate disincentives with forfeiture of EMD unless** adequate justification for such back out is furnished. **Appropriate action for black listing the tenderers,** shall also be taken apart from disincentivising the tenderer.
- ix) In case the reason for backing out of the 1st lowest tenderer is justified then the offer of 2nd lowest tenderer may be accepted provided that the 2nd lowest tender negotiates with the rates of 1st lowest, tenderer. However, approval from the next higher authority is mandatory for such cases.
- x) Similarly, if more than one of the lowest tenderers starting from the 1st lowest in series such as the 1st lowest and the 2nd lowest tenderer withdraw, this should automatically stand cancelled unless for very special reasons to be recorded in writing. Approval of next higher authority is to be obtained prior to acceptance of the offer of the contractors **quoting higher rates in the larger interest** of getting the works done in time. In such cases, the next higher Authority should accept the tender only if the 3rd lowest tenderer agrees to undertake the work at the rate quoted by the 1st lowest tenderer. In case of some extreme urgency or other valid reasons, the tenderer from the lowest rates may be considered prior detailed investigation of the circumstances and reasons thereof should be recorded in writing for accepting such tender in higher rates than the 1st lowest offer.

PROFORMA –‘D’

Amendment to Condition of Contract (Past Performance)

The Contractors shall have to furnish report in the following proforma duly certified by the Superintending Engineer under whom he has executed works in order to judge their past performance.

Clause 31 :- Price Adjustment

: Contract price shall be adjusted for increase or decrease in rates and price of labour, materials, fuels and lubricants in accordance with the following principles and procedures and as per formula given in following Paras.

(a) The price adjustment shall apply for the work done from the start date given in the contract data up to end of the initial intended completion date or extensions granted by the Engineer and shall not apply to the work carried out beyond the stipulated time for reasons attributable to the contractor.

(b) The price adjustment shall be determined during each month from the formula given in following Paras

(c) Following expressions and meanings are assigned to the work done during each month:

R= Total value of work done during the month. It would include the amount of secured advance granted, if any, during the month, less the amount of secured advance recovered, if any during the month. It will exclude value for works executed for extra items under variations.

: To the extent that full compensation for any rise or fall in costs to the contractor is not covered by the provisions of this or other clauses in the contract, the unit rates and prices included in the contract shall be deemed to include amounts to cover the contingency of such other rise or fall in costs

The formula (e) for adjustment of prices are:

31(a) (i): Adjustment of Other Materials Component

Price adjustment for increase or decrease in cost of local materials other than cement, steel, bitumen pipe and POL procured by the contractor shall be paid in accordance with the following formula:

$$VM = 0.85 \times Pg/100 \times R \times (M_1 - M_0)/M_0$$

VM - Increase or decrease in the cost of work during the month under consideration due to changes in rates for local materials other than cement, steel, bitumen and POL.

Mp - The all India wholesale price index(all commodities) on 28 days preceding the date of opening of Bids, as published by the Ministry of Commerce and Industry ,Government of India, New Delhi.

M1- The all India wholesale price index (all commodities) for the month under consideration as published by the Ministry of Commerce and Industry , Government of India, New Delhi

Pa Percentage of local material component (other than cement, steel, bitumen and POL) of the work.

31a(ii): Adjustment for Cement Component

Price adjustment for increase or decrease in the cost of cement
{Procured by the contractor shall be paid in accordance with
the following formula:

$$V_c = (0.85 \times c / 100 \times R \times (S_1 - S_0) / S_0)$$

V_c = Increase or decrease in the cost of work during the month under
consideration due to changes in the rates for cement

S_0 = The all India wholesale price index for Ordinary Portland

Cement (OPC) on 28 days preceding the date of opening of
Bids as published by the Ministry of Commerce and Industry,
Government of India, New Delhi

S_1 = The all India wholesale price index for Ordinary Portland
Cement (OPC) for the month under consideration as
published by the Ministry of Commerce and Industry,
Government of India, New Delhi.

c = Percentage of Cement Component of the work

31 (a)(iii): Adjustment for Steel Component

(iii) Price adjustment for increase or decrease in the cost of steel
procured by the contractor shall be paid in accordance with
the following formula:

$$V_s = 0.85 \times P / 100 \times R \times (S_1 - S_0) / S_0$$

V_s = Increase or decrease in the cost of work during the month
under consideration due to changes in the rates for steel

S_0 = The all India wholesale price index for steel (Mild Steel long
products) on 28 days preceding the date of opening of Bids
as published by the Ministry of
Commerce and Industry Government of India, New Delhi.

S_1 = The all India wholesale price index for steel (Mild Steel long
products) for the month under consideration as published by
the Ministry of Commerce and Industry, Government of
India, New Delhi.

P = Percentage of steel component of the work

*Note: For the application of this clause, index of (Mild Steel long products)
has been chosen to represent steel group.*

31(a)(iv): Adjustment of Bitumen Component

Price adjustment for increase or decrease in the cost of bitumen shall be paid in accordance with the following formula:

$$V_m = 0.85 \times P_U \times R \times (B_1 - B_0) / B_0$$

V_t - Increase or decrease in the cost of work during the month under consideration due to changes in the rate for bitumen.

B_e - The official retail price of bulk bitumen at the IOC / BPCL depot at nearest center on the day 28 days prior to date of opening of Bids.

B_1 - The official retail price of bulk bitumen at IOC / BPCL depot at nearest center for the 15th day of the month under consideration.

P - Percentage of bitumen component of the work

31(a)(v): Adjustment towards differential cost of Pipes.

Price adjustment for increase or decrease in the cost of pipe shall be paid in accordance with the following formula:

$$V_i = 0.85 \times P_g / 100 \times R \times (P_{i1} - P_{i0}) / P_{i0}$$

V_{pt} - Differential cost of pipe i.e. amount of increase or decrease in rupees to be paid or recovered during the month under consideration.

p - Percentage of pipe component of the work

P_{i1} - All India Whole sale price index of pipe for the period under consideration as published by the Ministry of Commerce and Industry, Government of India, New Delhi.

P_{i0} - All India Whole sale price index of pipe on 28 days preceding the date of opening of Bids as published by the Ministry of Commerce and Industry, Government of India, New Delhi.

31(b): Adjustment of Labour Component

Price adjustment for increase or decrease in the cost due to labour shall be paid in accordance with the following formula

$$V_L = 0.85 \times P // 100 \times R \times (L_1 - L_0) / L_0$$

V_y - Increase or decrease in the cost of work during the month under consideration due to changes in rates for various labour.

L_a - The minimum wages for unskilled labour as Notified by Government of Odisha as prevailed on the last stipulated date of receipt of tender including extension, if any.

L_1 = The minimum wages for unskilled labour as Notified by Government of Odisha as prevailed on the last date of the Month previous to the one under consideration

P_l - Percentage of labour component of the work.

31(c): Adjustment of POL(fuel and Lubricant) Component

- (v) Price adjustment for increase or decrease in cost POL(fuel and lubricant) shall be paid in accordance with the following formula:

$$V = (0.85 \times P / 100 \times R \times (F_1 - F_0) / F_0)$$

V - Increase or decrease in the cost of work during the month under

consideration due to changes in the rates for fuel and lubricants.

F_t - The official retail price of High Speed Diesel (HSD) at the existing consumer pumps of IOC / BPCL/ HPCL at nearest

center on the day 28 days prior to the date of opening of Bids.

F_0 - The official retail price of HSD at the existing consumer pumps of IOC / BPCL/ HPCL at nearest center for the 15th day of the month under consideration.

P - Percentage of fuel and lubricants component of the work

31(d): Adjustment for Plant and Machinery Spares Component

- (vi) Price adjustment for increase or decrease in the cost of plant and machinery spares procured by the Contractor shall be paid in accordance with the following formula:

$$V_p - 0.85 P_{100} \times R \times (P_j - P_0) \times P_0$$

V_p - Increase or decrease in the cost of work during the month under consideration due to changes in the rates for plant and machinery spares

P_0 - The all India wholesale price index for manufacture of machinery for mining, quarrying and construction on 28 days preceding the date of opening of Bids as published by the Ministry of Commerce and Industry Government of India, New Delhi.

P_1 - The all India wholesale price index for manufacture of machinery for mining, quarrying and construction for the month under consideration as published by the Ministry of Commerce and Industry, Government of India, New Delhi.

P - Percentage of plant and machinery spares component of the work

Note : For the application of this clause, index of manufacturing of machinery for mining, quarrying and construction has been chosen to represent the Plant and machinery Spares group.

Regarding wholesale price Index (WPI) for appropriate commodity for payment of price adjustment, due to change of base year of WPI from 1993- 94 to 2004-05 & 2011-12, it is observed that, the commodity 'Bars and Rod', 'Cement', 'Heavy machinery and parts' included in the list of WPI 1993-94 series are not mentioned as such in the WPI 2004-05 & 2011-12 series. Therefore, the following items in the WPI 2004-05 & 2011-12 series shall be considered corresponding to items in WPI 1993-94 series:

Sl. No.	Item in WPI 1993-94 series	Item in WPI 2004-05 series	Item in WPI 2011-12 series
1,	Cement	Grey Cement	Ordinary Port land cement
2.	Bars & rods	Rebars	Mild steel long products
3,	Heavy Machinery & parts	Construction Machinery	Manufacture of Machinery for mining, quarrying & construction.

The contractor shall for the purpose of availing reimbursement/refund of differential cost of steel, bitumen, cement, pipe, POL and wages, keep such books of account and other documents as are necessary to show that the amount of increase claimed or reduction available and shall allow inspection of the same by a duly authorized representative of Government and further, shall at the request of the Engineer-in-Charge, furnish documents to be verified in such a manner as the Engineer-in-Charge may require any document and information inept. The contractor shall within a reasonable time of 15 days of his becoming aware of any alteration in the price of such material, wages of labour and /or price of P.O.L, give notice thereof to the Engineer-in-Charge stating that the same is given pursuant to this condition along with information relating to there to which he may be in a position to supply.

Percentage Table

SI No.	Category of works		% Component (cost wise)		
			Labour (PD)	POL {PI}	Steel (P,) + Cement (c) Bitumen (PbJ + Pipes (P,,) + Plant & Machinery Spare & Component pt Other Materials*
1	R&B works (% of component	Road Works	5	5	90
		Bridge works	5	5	90
		Building works			90
2	Irrigation works (% of component	Structural work	5	5	90
		Earth, Canal & Embankment work	5		90
			5	5	
3	P.H. Work	Structural work	5	5	90
		Pipeline Work	5	5	Pipe- 70% *Machinery + Other material -20%
		Sewer Line	5	5	Pipe- 70% *Machinery + Other material -20%

*Note:- Further break up may be worked out considering the consumption of Cement, Steel, Bit men, pipe and Plant & Machinery Span e Component in the concerned works arid shall be provided in the bid document in shape of “Weightage of Adjustment Data” as an “Appendix to Bid”. (Enclosed herewith).

**State Procurement Cell
Works Department, Government of Odisha
Nirman Soudha, Bhubaneswar-751001**

**Registration of Contractors in the Online Contractor Database Management
System (CDMS)**

PUBLIC NOTICE

Government of Odisha has mandated online registration of all categories of contractors in CDMS portal (www.cdmsodisha.gov.in). vide O.M.No. 12934 dt. 23.08.2018 of Works department. In response to the same many contractors have already registered in CDMS portal including submission of hard copies of documents to their respective registering authorities for validation.

In the meantime nearly two years have been passed but many contractors have not yet registered themselves in the CDMS portal till date. Now Works Department has Issued a letter vide Letter No. 9100 dt. 17.07.2020 where in it is instructed for registering all categories of contractors in CDMS portal within dt.31.12.2020 as per the codal provision vide clause no. 12.4 of Appendix IX(A) of O.P.W.D code, Vol.(II). Hence all Class of Contractors are requested to register themselves in CDMS portal positively by dt. 31.12.2020 failing which, the contractors shall not be able to participate in the tender process.

All the Tender Inviting Authorities are requested to include the codal Provision as per clause no.12.4 of Appendix-IX (A) of O.P.W.D code in the Detailed Tender Call Notice (DTCN) while inviting tenders. They are also requested not to accept any tender at their level after dt.31.12.2020 if not registered under CDMS portal.

Contravention to the Codal Provision as stated above by the Tender Inviting Authorities will attract for initiation of disciplinary action against the defaulting officers.

THIS IS URGENT
